Overview

A participant who is called to active duty in the United States military is eligible to make Qualified Military Make-Up deferrals to the New York State Deferred Compensation Plan in the amount that they could have deferred to their Plan account had their employment with the State or a participating employer not been interrupted by military service. The total amount eligible for Qualified Military Make-Up deferrals is determined for each calendar year during which military service occurred. You may be eligible to make Qualified Military Make-Up deferrals in the calendar year that you return to employment with the State or a participating employer. If you have questions about this form, please contact the HELPLINE at 1-800-422-8463.

Steps to Follow

Step 1: Determine your maximum Qualified Military Make-Up deferral amount by completing the chart on the following page.

- Enter the period of military service separately for each calendar year in Columns 1 and 2.
 - For example, for service between 10/1/2012 and 4/1/2014, enter 10/1/2012 to 12/31/2012 in row 1, 1/1/2013 to 12/31/13 in row 2 and 1/1/2014 to 4/1/2014 in row 3.
- Count the number of weeks for each calendar year of military service and enter in Column 3.
- Enter the amount of contributions other than Qualified Military Make-Up deferrals that you have made to a deferred compensation plan during each applicable year of military service, if any, in Column 4. Enter TBD in the year your military service ended if you wish to begin Qualified Military Make-Up deferrals in that year.
- Enter your Maximum Permissible Contribution for each year in Column 4. This amount is:
 - The maximum regular deferral allowed for that year (see table below),
 - PLUS** the additional age-based catch-up amounts, if you were at least age 50 or between the ages of 60-63 at the end of the previous year;
 - OR** your gross salary less Social Security and other pre-tax contributions; whichever amount is less.

Year	Maximum Regular Deferral	Additional Age 50+ Catch-up Amount	Additional Age 60-63 Catch-up Amount
2018	\$18,000	\$6,000	N/A
2019	\$19,500	\$6,500	N/A
