Determining if an Unforeseeable Emergency Request is Right for You

We understand you are experiencing certain difficulties and are considering a request for a Self-Certified Unforeseeable Emergency distribution to withdraw funds from your New York State Deferred Compensation Plan account. The Internal Revenue Code and Treasury regulations govern the circumstances in which funds may be withdrawn as an Unforeseeable Emergency. An Unforeseeable Emergency is a severe financial hardship that occurred in the past 12 months to the participant, the participant’s designated beneficiaries or the participant’s dependents.

In general, an unforeseeable emergency relates to a circumstance that you could not have predicted, and you were not able to resolve by any other means of relief. Other means of relief may include but not be limited to the following:

- **Reimbursement or compensation by Insurance or other sources** - When applicable.
- **Cessation of deferrals under the plan** - Decreasing your deferrals even for a moderate amount of time may assist in alleviating a short-term financial need and reduce the need for future emergency distributions. If you stop or decrease your deferral you can restart deferring at any time.
- **Taking a Plan loan** - If you have a minimum balance of $2,000 and do not have active or defaulted NYSDCP loans, you may be eligible for a loan up to 50% of your account balance not to exceed $50,000 in a twelve-month period.
- **Small Inactive Account Withdrawal** - To be eligible for this withdrawal, your current account balance cannot exceed $5,000 and it must be at least two years since your last deferral into the Plan.

How Does Self-Certification Work? Documentation for your records

Supporting documentation is not required at the time of this request. However, you should maintain copies of the documents that substantiate the amount and reason for this withdrawal because they may be needed if the IRS audits you. The Plan will NOT review and is NOT responsible for validating any supporting documentation related to this request. Each request is unique to that particular situation, and it is your responsibility to maintain your records. The following information represents only general documentation that may be relevant to your emergency.

All distributions are subject to federal, applicable state, and local taxes. An Unforeseeable Emergency Distribution is
subject to 10% federal tax withholding. However, this amount is not mandatory and can be adjusted. Payments will be
reported as taxable income on tax form 1099-R which will be mailed to you by the end of January of next year.

Please note: Qualified Roth distributions are not be subject to income tax. Unqualified Roth distributions will be taxed on
the portion that represent earnings above the contributed amount. A qualified distribution is one that occurs when you are
over 59.5 years of age and the account has been established for more than 5 years.

Please select one option. (If you do not select an option, the Plan will default to 10% federal withholding.)

☐ No taxes withheld: Do not withhold federal taxes from my distribution. I will be liable for all federal taxes that may result
  from this distribution.

☐ 10% default withholding: Withhold the default of 10% to accommodate federal taxes on the taxable portion of my

  amount will be higher to include federal tax withholding.

☐ I want a Federal Income Tax (FIT) different than the standard 10% but more than zero withholding. I understand this FIT
  percentage must be indicated on IRS Form W-4R and submitted with this form. The IRS Form W-4R can be obtained
  under the Distribution tab of the Forms and Publications area on www.nysdcp.com or by contacting the HELPLINE at
  1-800-422-8463. By selecting this I am also asking to increase the gross distribution amount from my Plan account in
  order to accommodate the FIT withholding.

Please note: With either option where applicable the amount you select will be superseded by any mandatory state
