4. Agreement

By signing this form, you ("Participant") and Charles Schwab & Co., Inc. ("Schwab") agree that the authority conferred on Participant by the Plan Sponsor, Plan Trustees ("Trustees") or the Recordkeeper for the Plan, as the case may be, in accordance with the Schwab Personal Choice Retirement Account® (PCRA) Limited Power of Attorney (LPOA) Form for a Participant, shall be exercised according to the following terms and conditions. If you are the beneficiary of a deceased Participant, you will be considered the "Participant" for purposes of this form.

PCRA Fees. The Retirement Plan Service Provider, Trustee or Recordkeeper may charge additional fees for opening and maintaining Participant's PCRA. Find transaction fees and commissions for trades placed in your PCRA in the *Charles Schwab Pricing Guide for Retirement Plan Accounts*.

If features are added to Participant's PCRA after it is opened, Participant agrees to be bound by the terms in the agreements relating to these features.

Electronic Services. Participant authorizes Schwab to act on Participant's instructions, whether written, oral or provided by Participant through any of Schwab's Electronic Services.

Role of Charles Schwab & Co., Inc.

Participant acknowledges that:

- Participant is responsible for determining the nature, potential value and suitability of any particular security, transaction or investment strategy;
- Except as provided in this section, Schwab is not responsible for determining the nature, potential value and suitability of any particular security, transaction or investment strategy;

- Schwab is in no way responsible for supervising or monitoring trading in Participant's PCRA;
- Participant understands that no investments will be made with respect to Participant's PCRA except as Participant specifically instructs Schwab; and
- Purchases and sales of securities in Participant's PCRA are subject to commissions and transaction fees.

Schwab agrees that it is responsible for determining the nature, potential value and suitability of any particular security, transaction or investment strategy for Participant **only** (1) if required by applicable law, or (2) if:

- A Schwab representative gives advice directly to Participant; and
- The advice is clearly identified as a Schwab recommendation for Participant to enter into a particular transaction or to buy or sell a particular security.

Credit Verification. Participant authorizes Schwab to inquire from any source, including a consumer reporting agency, as to Participant's creditworthiness and ongoing eligibility for the account at any time throughout the life of the account, and thereafter for debt collection or investigative purposes.

The Plan Sponsor, Trustees or Recordkeeper may revoke the LPOA at any time by giving written notice to Schwab. By execution of a Schwab Personal Choice Retirement Account Limited Power of Attorney Form to Authorize a Third Party, including a Schwab Personal Choice Retirement Account Limited Power of Attorney Form to Authorize an Investment Advisor, Participant may grant authority to an Attorney-In-Fact to trade in Participant's PCRA but not to make withdrawals. The ability to work with a third party, including a professional money manager, varies by retirement plan.

Mutual Fund Minimum Investments. Participant acknowledges that mutual funds require a specified minimum investment, and that until sufficient amounts have been deposited into Participant's PCRA, it will not be possible to invest in such mutual funds.

4. Agreement (Continued)

Uninvested Funds. All uninvested funds held within Participant's PCRA will be automatically invested (swept) into the sweep vehicle that your Plan Sponsor has selected. It is the responsibility of Participant to allocate funds to other investments, if so desired, once funds have been invested (swept) into the sweep vehicle.

Trading Restrictions. PCRA may not include trading on collectibles, currencies, precious metals, real estate, futures, commodities, private placements, margin accounts or short sales. This list does not apply to shares of mutual funds, exchange-traded funds, or other investment vehicles that may be authorized under the Plan and may offer exposure to futures, commodity markets, or make investments in the types of assets listed above. If specifically allowed by Participant's retirement plan, Participant may be able to write covered calls and buy protective puts. Participant must complete a Schwab Options Application to be approved to trade options. Participant's retirement plan may have other trading restrictions that limit Participant's investment options.

Compliance With Applicable Law. Participant will comply with all applicable state and federal securities laws.

Information. Participant will provide promptly any information reasonably requested by Schwab concerning the management of Participant's PCRA or compliance with this Agreement. If questions arise concerning compliance with any law, Participant will take any action believed by Schwab to be necessary and proper to ensure compliance with applicable law. Schwab has no duty to supervise or monitor Participant's management of Participant's PCRA or compliance with applicable laws. Schwab may disclose Participant's name, address and share position upon request to companies whose securities are held in Participant's PCRA, unless Participant notifies Schwab in writing not to disclose this information.

Indemnification. Participant will indemnify and hold harmless Schwab, its affiliates and their directors, officers and employees from and against all claims, actions, costs and liabilities, including attorneys' fees, arising out of or relating to:

- Any breach by Participant of any provision of this Agreement;
- Any dispute between Participant and Plan Sponsor; and
- Any dispute between Participant and the Trustee(s) (or Recordkeeper [if applicable]) except when Charles Schwab Bank, or any of its affiliates, acts as the Trustee(s) (or Recordkeeper [if applicable]) for Participant's plan assets.

Trade Confirmations and Account Statements. Unless the Plan Sponsor, Trustee(s) or Institution direct otherwise, Schwab will send trade confirmations and account statements to Participant and, if requested by the Plan Sponsor, Trustee(s) or Institution, to the Plan Sponsor, Trustee(s) or Institution and other parties as directed.

Your Participation and Consent to Enroll in Schwab's Cash Features Program. The Cash Features Program is a service that offers certain cash features (each a "Cash Feature") to permit uninvested cash (the "Free Credit Balance") in your Participant brokerage accounts under the Plan to earn income while you decide how those funds should be invested longer term.

All uninvested funds held within your Account will be automatically invested (swept) into the Cash Feature selected by your Plan Sponsor or Trustee. If you have questions about your Plan's Cash Feature selection, please contact your Plan Sponsor or Trustee.

You understand that the terms and conditions of the Cash Features Program and of each Cash Feature are set forth in the Cash Features Disclosure Statement.

You understand that your Plan Sponsor has instructed and directed Schwab to include the Free Credit Balance under the Plan in the Cash Features Program, as described in the Cash Features Disclosure Statement, and that by your use of the Account you are consenting to the terms related to the Cash Feature selected on behalf of the Plan.

You understand and agree that Schwab may (1) make changes to the terms and conditions of the Cash Features Program; (2) make changes to the terms and conditions of any Cash Feature; (3) change, add, or discontinue any Cash Feature; (4) change the Plan's and/or any Participant's investment from one Cash Feature to another if the Plan and/or any Participant, as applicable, becomes ineligible for the current Cash Feature or the current Cash Feature is discontinued; and (5) make any other changes to the Cash Features Program or Cash Feature as allowed by law. Schwab will notify you in writing of changes to the terms of the Cash Features, changes to the Cash Features we make available, or changes to the Cash Features Program prior to the effective date of the proposed change.

Liquidation. If for any reason Participant's PCRA has insufficient funds to cover the purchase price of any trade or a fee, Schwab may take appropriate steps in its discretion to complete, cancel or liquidate one or more transactions or investments. Additionally, Schwab may, on direction from an authorized party, which may include the Plan Sponsor, Trustee(s) or Institution, liquidate one or more transactions or investments in order to address corrections which may be required pursuant to the provisions of the plan document, the Employee Retirement Income Security Act of 1974, as amended (ERISA), or the Internal Revenue Code of 1986, as amended (IRC), including, but not limited to, the correction of excess annual additions pursuant to IRC 415, of excess contributions pursuant to IRC 401(k), of excess aggregate contributions pursuant to IRC 401(m) and of excess deferrals pursuant to IRC 402(g), to the extent that Schwab has either been informed by the authorized party that such correction is required or has the responsibility

for the determination of the need for such correction pursuant to the terms of the Schwab One® Account Agreement and any other applicable agreements between Schwab and the authorized party.

Entire Agreement. This Agreement contains all of the agreements, representations and understandings made between Participant and Schwab.

Waivers. The failure of either party at any time to require performance by the other party of any provision of this Agreement will not affect in any way the right to require such performance at any time thereafter. The waiver by either party of a breach of any provisions hereof will not be taken or held to be a waiver of the provision itself.

Governing Law. This Agreement, and all future agreements you shall enter into with Schwab, unless otherwise indicated on such other agreement, shall be governed by the law (but not the choice or law doctrines) of the state of California. This is the case regardless of whether you reside or transact business with Schwab in California or elsewhere, except that the section entitled "Arbitration" shall be governed by the Federal Arbitration Act.

Required Arbitration Disclosures. Regulatory authorities require that any brokerage agreement containing a predispute arbitration agreement must disclose that this agreement contains a predispute arbitration clause. This Agreement contains a predispute arbitration clause. By signing an arbitration agreement, the parties agree as follows:

- All parties to this Agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.
- Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.
- The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.
- The arbitrators do not have to explain the reason(s) for their award unless, in an eligible case, a joint request for an explained decision has been submitted by all parties to the panel at least 20 days prior to the first scheduled hearing date.
- The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.
- The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.
- The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this Agreement.

4. Agreement (Continued)

No person shall bring a putative or certified class action to arbitration, nor seek to enforce any predispute arbitration agreement against any person who has initiated in court a putative class action; or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until:

1. the class certification is denied;
2. the class is decertified; or
3. the customer is excluded from the class by the court.

Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this Agreement except to the extent stated herein.

Arbitration Agreement. Any controversy or claim arising out of or relating to (i) this Agreement, any other agreement with Schwab, an instruction or authorization provided to Schwab or the breach of any such agreements, instructions, or authorizations; (ii) the Account, any other Schwab account or Services; (iii) transactions in the Account or any other Schwab account; (iv) or in any way arising from the relationship with Schwab, its parent, subsidiaries, affiliates, officers, directors, employees, agents or service providers ("Related Third Parties"), including any controversy over the arbitrability of a dispute, will be settled by arbitration.

This arbitration agreement will be binding upon and inure to the benefit of the parties hereto and their respective representatives, attorneys-in-fact, heirs, successors, assigns and any other persons having or claiming to have a legal or beneficial interest in the Account, including court-appointed trustees and receivers. This arbitration agreement will also inure to the benefit of third-party service providers that assist Schwab in providing Services ("Third-Party Service Providers") and such Third-Party Service Providers are deemed to be third-party beneficiaries of this arbitration agreement.

The parties agree that this arbitration agreement will apply even if the application to open the Account is denied and will survive the closure of your Account and/or the termination of services rendered under this Agreement.

Such arbitration will be conducted by, and according to the securities arbitration rules and regulations then in effect of, the Financial Industry Regulatory Authority (FINRA) or any national securities exchange that provides a

forum for the arbitration of disputes, provided that Schwab is a member of such national securities exchange at the time the arbitration is initiated. Any party may initiate arbitration by filing a written claim with FINRA or such eligible national securities exchange. If arbitration before FINRA or an eligible national securities exchange is unavailable or impossible for any reason, then such arbitration will be conducted by, and according to the rules and regulations then in effect of, the American Arbitration Association (AAA). If arbitration before the AAA is unavailable or impossible for any reason, the parties agree to have a court of competent jurisdiction appoint three (3) arbitrators to resolve any and all disputes or controversies between or among the parties. Each party shall bear its own initial arbitration costs, which are determined by the rules and regulations of the arbitration forum. In the event of financial hardship, the arbitration forum may waive certain costs in accordance with such rules. At the conclusion of the hearing, the arbitrators will decide how to assess the costs of the arbitration among the parties.

Any award the arbitrator makes shall be final and binding, and judgment on it may be entered in any court having jurisdiction. This arbitration agreement shall be enforced and interpreted exclusively in accordance with applicable federal laws of the United States, including the Federal Arbitration Act. Any costs, fees or taxes involved in enforcing the award shall be fully assessed against and paid by the party resisting enforcement of said award.

For FINRA arbitrations, FINRA will appoint a single public arbitrator in customer cases decided by one arbitrator. In customer cases decided by three arbitrators, investors have the option of choosing an arbitration panel with two public arbitrators and one non-public arbitrator (Majority-Public Panel Rule) or a panel of all public arbitrators (Optional All-Public Panel Rule). If the customer declines to elect a panel selection method in writing by the applicable deadline, the Majority-Public Panel Rule for selecting arbitrators will apply.

All notices from one party to the other involving arbitration shall be considered to have been fully given when so served, mailed by first-class, certified or registered mail, or otherwise given by other commercially accepted medium of written notification.

In addition to the above provisions, if a party to this Agreement is or becomes a non-U.S. resident at the time of any controversy subject

to this arbitration agreement, such party acknowledges and agrees to the following additional provisions:

- (1) The rules of the organization administering the arbitration specifically provide for the formal designation of the place at which the arbitration is to be held.
- (2) Entering into this Agreement constitutes consent to submit to the personal jurisdiction of the courts of the state of California, U.S.A., to interpret or enforce any or all of these arbitration provisions. Judgment on any arbitration award may be entered in any court having jurisdiction, or application may be made to such court for judicial acceptance of the award and an order of enforcement, as the case may be.
- (3) The exclusive language to be used by the parties and the arbitrators in the arbitration proceedings shall be English. Any party wishing an interpreter shall make all arrangements directly with the interpreter and shall assume all costs of the service.
- (4) If a party is a foreign government or state, state-owned or state-operated enterprise or other instrumentality of a foreign government or state, such party waives all rights of sovereign immunity and neither the Federal Act of State doctrine nor the doctrine of sovereign immunity shall apply insofar as any enforcement in courts located in the U.S.A. is concerned.

Impartial Lottery for Securities Subject to Partial Call or Partial Redemption. If Schwab holds securities for you in street name, in Schwab's name, or in bearer form that are subject to partial call or partial redemption, then in the case of a partial call or partial redemption, Schwab will use an impartial lottery system to select the securities to be called or redeemed from among accounts holding those securities. If you would like a printed description of Schwab's lottery system mailed to you, please contact a Schwab representative at 1-888-393-7272.

Monies held in the Bank Sweep feature are not covered by SIPC. ▪ Money market mutual funds in the Money Fund Sweep feature invest in high-quality, short-term securities and seek to maintain a stable value, but are subject to market risks and potential value loss. They are not bank accounts and are not subject to FDIC insurance protection. They are instead covered by SIPC, which protects against the custodial risk (and not a decline in market value) when a brokerage firm fails by replacing missing securities and cash up to a limit of \$500,000, of which \$250,000 may be cash. Shares held through the Money Fund Sweep feature are not considered cash, but are treated as securities for SIPC coverage.

Authorization to Trade for PCRA. Participant may place trading orders for Participant's PCRA pursuant to the LPOA. The Plan Sponsor, Trustees or Recordkeeper may revoke the LPOA at any time by giving written notice to Schwab. Participant agrees not to take any actions that exceed Participant's authority under the LPOA or any other agreement between Participant and the Trustees or Institution or Plan Sponsor with respect to which the PCRA is opened.

Appointment of Limited Power of Attorney for Third Party. By execution of a Schwab Personal Choice Retirement Account Limited Power of Attorney Form to Authorize a Third Party, including a Schwab Personal Choice Retirement Account Limited Power of Attorney Form to Authorize an Investment Advisor, Participant may grant authority to an Attorney-In-Fact to trade in Participant's PCRA but not to make withdrawals. The ability to work with a third party, including a professional money manager, varies by retirement plan.

Mutual Fund Minimum Investments. Participant acknowledges that mutual funds require a specified minimum investment, and that until sufficient amounts have been deposited into Participant's PCRA, it will not be possible to invest in such mutual funds.

Uninvested Funds. All uninvested funds held within Participant's PCRA will be automatically invested (swept) into the sweep vehicle that your Plan Sponsor has selected. It is the responsibility of Participant to allocate funds to other investments, if so desired, once funds have been invested (swept) into the sweep vehicle.

Trading Restrictions. PCRA may not include trading on collectibles, currencies, precious metals, real estate, futures, commodities, private placements, margin accounts or short sales. This list does not apply to shares of mutual funds, exchange-traded funds, or other investment vehicles that may be authorized under the Plan and may offer exposure to

futures, commodity markets, or make investments in the types of assets listed above. If specifically allowed by Participant's retirement plan, Participant may be able to write covered calls and buy protective puts. Participant must complete a Schwab Options Application to be approved to trade options. Participant's retirement plan may have other trading restrictions that limit Participant's investment options.

Compliance With Applicable Law. Participant will comply with all applicable state and federal securities laws.

Information. Participant will provide promptly any information reasonably requested by Schwab concerning the management of Participant's PCRA or compliance with this Agreement. If questions arise concerning compliance with any law, Participant will take any action believed by Schwab to be necessary and proper to ensure compliance with applicable law. Schwab has no duty to supervise or monitor Participant's management of Participant's PCRA or compliance with applicable laws. Schwab may disclose Participant's name, address and share position upon request to companies whose securities are held in Participant's PCRA, unless Participant notifies Schwab in writing not to disclose this information.

Indemnification. Participant will indemnify and hold harmless Schwab, its affiliates and their directors, officers and employees from and against all claims, actions, costs and liabilities, including attorneys' fees, arising out of or relating to:

- Any breach by Participant of any provision of this Agreement;
- Any dispute between Participant and Plan Sponsor; and
- Any dispute between Participant and the Trustee(s) (or Recordkeeper [if applicable]) except when Charles Schwab Bank, or any of its affiliates, acts as the Trustee(s) (or the Recordkeeper [if applicable]) for Participant's plan assets.

Trade Confirmations and Account Statements. Unless the Plan Sponsor, Trustee(s) or Institution direct otherwise, Schwab will send trade confirmations and account statements to Participant and, if requested by the Plan Sponsor, Trustee(s) or Institution, to the Plan Sponsor, Trustee(s) or Institution and other parties as directed.

Your Participation and Consent to Enroll in Schwab's Cash Features Program. The Cash Features Program is a service that offers certain cash features (each a "Cash Feature") to permit uninvested cash (the "Free Credit Balance") in your Participant brokerage accounts under the Plan to earn income while you decide how those funds should be invested longer term.

All uninvested funds held within your Account will be automatically invested (swept) into the Cash Feature selected by your Plan Sponsor or Trustee. If you have questions about your Plan's Cash Feature selection, please contact your Plan Sponsor or Trustee.

You understand that the terms and conditions of the Cash Features Program and of each Cash Feature are set forth in the Cash Features Disclosure Statement.

You understand that your Plan Sponsor has instructed and directed Schwab to include the Free Credit Balance under the Plan in the Cash Features Program, as described in the Cash Features Disclosure Statement, and that by your use of the Account you are consenting to the terms related to the Cash Feature selected on behalf of the Plan.

You understand and agree that Schwab may (1) make changes to the terms and conditions of the Cash Features Program; (2) make changes to the terms and conditions of any Cash Feature; (3) change, add, or discontinue any Cash Feature; (4) change the Plan's and/or any Participant's investment from one Cash Feature to another if the Plan and/or any Participant, as applicable, becomes ineligible for the current Cash Feature or the current Cash Feature is discontinued; and (5) make any other changes to the Cash Features Program or Cash Feature as allowed by law. Schwab will notify you in writing of changes to the terms of the Cash Features, changes to the Cash Features we make available, or changes to the Cash Features Program prior to the effective date of the proposed change.

Liquidation. If for any reason Participant's PCRA has insufficient funds to cover the purchase price of any trade or a fee, Schwab may take appropriate steps in its discretion to complete, cancel or liquidate one or more transactions or investments. Additionally, Schwab may, on direction from an authorized party, which may include the Plan Sponsor, Trustee(s) or Institution, liquidate one or more transactions or investments in order to address corrections which may be required pursuant to the provisions of the plan document, the Employee Retirement Income Security Act of 1974, as amended (ERISA), or the Internal Revenue Code of 1986, as amended (IRC), including, but not limited to, the correction of excess annual additions pursuant to IRC 415, of excess contributions pursuant to IRC 401(k), of excess aggregate contributions pursuant to IRC 401(m) and of excess deferrals pursuant to IRC 402(g), to the extent that Schwab has either been informed by the authorized party that such correction is required or has the responsibility for the determination of the need for such correction pursuant to the terms of the Schwab One® Account Agreement and any other applicable agreements between Schwab and the authorized party.

Entire Agreement. This Agreement contains all of the agreements, representations and understandings made between Participant and Schwab.

Waivers. The failure of either party at any time to require performance by the other party of any

provision of this Agreement will not affect in any way the right to require such performance at any time thereafter. The waiver by either party of a breach of any provisions hereof will not be taken or held to be a waiver of the provision itself.

Governing Law. This Agreement, and all future agreements you shall enter into with Schwab, unless otherwise indicated on such other agreement, shall be governed by the law (but not the choice or law doctrines) of the state of California. This is the case regardless of whether you reside or transact business with Schwab in California or elsewhere, except that the section entitled "Arbitration" shall be governed by the Federal Arbitration Act.

Required Arbitration Disclosures. Regulatory authorities require that any brokerage agreement containing a predispute arbitration agreement must disclose that this agreement contains a predispute arbitration clause. This Agreement contains a predispute arbitration clause. By signing an arbitration agreement, the parties agree as follows:

- All parties to this Agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.
- Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.
- The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.
- The arbitrators do not have to explain the reason(s) for their award unless, in an eligible case, a joint request for an explained decision has been submitted by all parties to the panel at least 20 days prior to the first scheduled hearing date.
- The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.
- The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.
- The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this Agreement.

No person shall bring a putative or certified class action to arbitration, nor seek to enforce any predispute arbitration agreement against any person who has initiated in court a putative class action; or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until:

1. the class certification is denied;
2. the class is decertified; or
3. the customer is excluded from the class by the court.

Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this Agreement except to the extent stated herein.

Arbitration Agreement. Any controversy or claim arising out of or relating to (i) this Agreement, any other agreement with Schwab, an instruction or authorization provided to Schwab or the breach of any such agreements, instructions, or authorizations; (ii) the Account, any other Schwab account or Services; (iii) transactions in the Account or any other Schwab account; (iv) or in any way arising from the relationship with Schwab, its parent, subsidiaries, affiliates, officers, directors, employees, agents or service providers ("Related Third Parties"), including any controversy over the arbitrability of a dispute, will be settled by arbitration.

This arbitration agreement will be binding upon and inure to the benefit of the parties hereto and their respective representatives, attorneys-in-fact, heirs, successors, assigns and any other persons having or claiming to have a legal or beneficial interest in the Account, including court-appointed trustees and receivers. This arbitration agreement will also inure to the benefit of third-party service providers that assist Schwab in providing Services ("Third-Party Service Providers") and such Third-Party Service Providers are deemed to be third-party beneficiaries of this arbitration agreement.

The parties agree that this arbitration agreement will apply even if the application to open the Account is denied and will survive the closure of your Account and/or the termination of services rendered under this Agreement.

Such arbitration will be conducted by, and according to the securities arbitration rules and regulations then in effect of, the Financial Industry Regulatory Authority (FINRA) or any national securities exchange that provides a forum for the arbitration of disputes, provided that Schwab is a member of such national securities exchange at the time the arbitration is initiated. Any party may initiate arbitration by filing a written claim with FINRA or such eligible national securities exchange. If arbitration before FINRA or an eligible national securities exchange is unavailable or impossible for any reason, then such arbitration will be conducted by, and according to the rules and regulations then in effect of, the American Arbitration Association (AAA). If arbitration before the AAA is unavailable or impossible for any reason, the parties agree to have a court of competent jurisdiction appoint three (3) arbitrators to resolve any and all disputes or controversies between or among the parties. Each party shall bear its own initial arbitration costs, which are determined by the rules and regulations of the arbitration forum. In the event of financial hardship, the arbitration forum may waive certain costs in accordance with such rules. At the conclusion of the hearing, the arbitrators will decide how to assess the costs of the arbitration among the parties.

Any award the arbitrator makes shall be final and binding, and judgment on it may be entered in any court having jurisdiction. This arbitration agreement shall be enforced and interpreted exclusively in accordance with applicable federal laws of the United States, including the Federal Arbitration Act. Any costs, fees or taxes involved in enforcing the award shall be fully assessed against and paid by the party resisting enforcement of said award.

For FINRA arbitrations, FINRA will appoint a single public arbitrator in customer cases decided by one arbitrator. In customer cases decided by three arbitrators, investors have the option of choosing an arbitration panel with two public arbitrators and one non-public arbitrator (Majority-Public Panel Rule) or a panel of all public arbitrators (Optional All-Public Panel Rule). If the customer declines to elect a panel selection method in writing by the applicable deadline, the Majority-Public Panel Rule for selecting arbitrators will apply.

All notices from one party to the other involving arbitration shall be considered to have been fully given when so served, mailed by first-class, certified or registered mail, or otherwise given by other commercially accepted medium of written notification.

In addition to the above provisions, if a party to this Agreement is or becomes a non-U.S. resident at the time of any controversy subject to this arbitration agreement, such party acknowledges and agrees to the following additional provisions:

- (1) The rules of the organization administering the arbitration specifically provide for the formal designation of the place at which the arbitration is to be held.
- (2) Entering into this Agreement constitutes consent to submit to the personal jurisdiction of the courts of the state of California, U.S.A., to interpret or enforce any or all of these arbitration provisions. Judgment on any arbitration award may be entered in any court having jurisdiction, or application may be made to such court for judicial acceptance of the award and an order of enforcement, as the case may be.
- (3) The exclusive language to be used by the parties and the arbitrators in the arbitration proceedings shall be English. Any party wishing an interpreter shall make all arrangements directly with the interpreter and shall assume all costs of the service.
- (4) If a party is a foreign government or state, state-owned or state-operated enterprise or other instrumentality of a foreign government or state, such party waives all rights of sovereign immunity and neither the Federal Act of State doctrine nor the doctrine of

sovereign immunity shall apply insofar as any enforcement in courts located in the U.S.A. is concerned.

Shares held through the Money Fund Sweep feature are not considered cash, but are treated as securities for SIPC coverage.
